## MYOKYO 明鏡

(MYOKYO, the Bright Mirror of Buddha Dharma always illuminates our LIFE)

March 2025

**Temple Mission Statement** *"To offer those in the Pacific Northwest an enduring community that values inclusiveness and acceptance in seeking enlightenment through Japanese Shin Buddhist teachings."*

### Sensei's Message

#### Why we Say "Namo Amida Butsu"

Rev. Tadao Koyama

Happy March everyone! We are now out of the winter season and saying hello to spring! While the weather warms up, we still have quite a bit of rain that may keep us indoors. This month Rev. Cyndi and I will embark on a small adventure returning to Japan, specifically Kyoto! I was privileged to live in Kyoto for two years of my life training to become a minister. During this time, I met some life-long friends who I hope to reconnect with, as well as participating in services at our head temple of Nishi Hongwanji.

If we are lucky, we might be able to see some beautiful Sakura blooming around the city. I know for a fact that I will be filled with the feeling of *natsukashii* (nostalgia) during this time.

I also recollect many of the lessons that I received while attending classes at Chubutsu. One of the sensei that talked to us about our school of Jodo Shinshu lectured on the idea of Buddhist awakening. For us as Jodo Shinshu Buddhists, our singular practice is to say "Namo Amida Butsu". This is because we are encouraged to awaken and accept the true nature of ourselves.

We say "Namo Amida Butsu" because we are ordinary beings who are not fully enlightened. This is part of an acknowledgement of our human nature which can be selfish, and conceited. We are not always this way, and I would like to believe that most of the time we are conducting ourselves in the best way possible. We say "Namo Amida Butsu" because this practice is perfectly made for us to engage in on a daily-life basis.

The vast majority of us cannot devote weeks or months of our time to go to meditation or Buddhist retreats to cultivate our merit and our spiritual fortitude. According to our founder, Shinran Shonin, the Nembutsu (Namo Amida Butsu) is the culmination of all of the Buddhist practices that are needed for enlightenment into one phrase. Taking refuge in the Nembutsu is our surest method to enlightenment for Amida Buddha's vows were specifically stated for the sake of all sentient beings.

Springtime is often synonymous with the melting of the ice of our passions and the awakening to the working of Amida. This is also reflected in Namo Amida Butsu. Many visitors who come to the temple may wonder why we always place our hands together and say this phrase over and over again. This is our practice, this our refuge.

Namo Amida Butsu.

## President's Message

I hope this message finds you in good health and spirits. As we welcome the arrival of spring and the changing of the seasons, we are reminded of the Buddhist teaching of impermanence—that all things are constantly shifting, flowing, and renewing. The Spring Equinox is a time for reflection, gratitude, and walking the path with greater mindfulness. May we take a moment to appreciate the beauty of renewal, not only in nature but in our own hearts and lives.

I want to express my deepest gratitude to Reverend Koyama, Minister Assistants Lynrae Hubble and Erik Hammerstrom, and all our dedicated volunteers who keep our sangha thriving. Your kindness and efforts create a warm and welcoming space for all who seek the Dharma.

I am especially excited for the upcoming Buddhist Women's Association (BWA) Memorial Service honoring Lady Kujo and Lady Ohtani. Let's take a moment to appreciate the incredible dedication of the BWA—whose efforts enrich our temple and strengthen our community. Their recent New Year's Party was a beautiful expression of fellowship, and I was so inspired that I decided to join. If you are looking for a way to connect, I encourage you to consider joining BWA or any of our temple groups, associations, or Dharma talks.

As we move forward into this season of renewal, let's take inspiration from Shinran Shonin's teachings and reflect on how Amida Buddha's boundless compassion embraces us just as we are. What are you grateful for this month? How can we deepen our practice together?

Wishing you all a joyful and reflective March.

In gratitude,  
Gavin Morgan, Temple President

## Buddhist Women's Association

BWA had a very foody February!

We began the month with our Annual BWA New Year's Luncheon on February 2<sup>nd</sup>. The weather was an unusual wintry mix, which while incredibly pretty, did keep a few members away from the party. For all that were able to brave the snow and cold, we enjoyed a hearty lunch of lasagna, salads, garlic bread and a delicious assortment of cakes for dessert.

On February 9th, BWA held our annual Dharma School cooking class. This year's featured menu item of Spam Musubi was requested by the Dharma school students and was accompanied by a crisp and refreshing Aloha Salad. Special thanks to Tracy Ling for taking the lead to organize and do all the preparations for this year's cooking class!

## Upcoming Events

**March 15 – 9 AM** Daifuku Mochi for BWA Memorial Service

**March 16** – Spring Ohigan, Lady Takeko Kujo, Lady Yoshiko Ohtani & BWA Memorial Service

**April 6 – 8 AM** Decorate Hanamido BWA (Apr/May/June Toban)

**April 27 – 10 AM** BWA 100<sup>th</sup> Anniversary Celebration Service & Luncheon

In Gassho,

Denise Cline, Tacoma BWA President

## Dharma School

Every January our DS hosts a Mochi-Tsuki (Traditional Japanese rice pounding to make mochi), and this year we once again invited Seattle Betsuin DS students to make this a fun and entertaining activity. We had over 50 DS students from both Tacoma and Seattle which made it challenging to keep all of them entertained. A big **THANKS** to **Jerry & June Akita, David Yotsuuye, Masa Sugano, Kevin Ikeda, Bobby Yotsuuye and all the Tacoma & Seattle DS teachers** who led this event to a resounding success!

Another Big **THANKS** goes to the **BWA members** who put on a cooking class for our DS students on Feb. 9th. They learned how to make spam musubi and Aloha Zuke salad. All the kids enjoyed eating what they made including the takuan and many desserts prepared by BWA.

**March 9:** Lotus class (our high school students) will be teaching the younger Maitreya/Prajna and Lumbini classes. You'll want to read the YBA section to find out what they will be teaching...

**April 6, Hanamatsuri:** Each class will give a presentation during our potluck. DS is in charge of setting up and cleaning for the potluck. **DS families**, please come to the Temple at **9:00 AM** to help with setting up.

**April 20:** DS is planning a field trip. The details are TBD.

## Buddhist Education Committee

Thank you everyone for the donation of pet food and supplies during the month of February for the Tacoma Humane Society. The Humane Society is always so grateful to receive a carload of essentials from us! I know I say this every year, but I always feel a mixture of love and sadness seeing the video played during Sunday service of our fur babies who have left us.

During the adult portion of our service on **Sunday, March 23**, we will have a Dharma Exchange with temple member, Nate Foote, who will talk about the trip he took with his wife, Erina, and son, Jasper, to Bali.

Coming **Saturday, May 17**, which is our Spring Seminar, will be guest speaker Rev. Landon Yamaoka of Southern Alameda Buddhist Church. Whenever I visit the Jodo Shinshu Center in Berkely for minister assistant training, I am always happy to see Rev. Landon. He is so energenic, kind and down-to-earth – I hope you all can attend!

Interested in expanding your knowledge of Buddhism? Sensei Koyama will have his next "Buddhism 101" study class via Zoom on **Wednesday, February 12, starting at 6 PM**. Contact Sensei Koyama to get the Zoom link if you haven't taken the class before.

## Facility Committee

Well, for the sake of thoroughness, a second walkthrough to finalize the projects for replacing the temple's chimney caps and repairing the exterior steps that lead to the Reverend Pratt room was accomplished. Yours truly strongly believes the chimney caps should be crafted in the shape of fedora hats. Those were quite in fashion when the temple was built in 1931. With that in mind, the project should pass muster with any historic preservation audit. Form might not follow function, but we would have some serious style going on. Ok, enough with impractical editorializing from the peanut gallery. Some other items on the project list are to enhance the hondo sound system, replace the roof over the garage and carport, upgrade the electrical system and lights in the garage, and new roofs over the stairwell at the stage right exterior door and the kitchen exterior door.

David Yotsuuye, Robert Yotsuuye, Tom Hubbell, Rick Tanabe, Nick Greenaway, and Del Sasaki are always ready to spring into action when maintenance challenges erupt.

Fawcett Avenue and Court D remain litter-free thanks to Lynrae Hubbell's vigilant efforts. Also, during the upcoming spring and summer season, Rick Tanabe and Delbert Sasaki are sure to keep our grounds in excellent condition.

~Dave
